should be mentioned the designation of officer on whose behalf and the name of work for which the amount is deposited.

The tenders without chellan for having remitted the required earnest money deposit will be rejected.

It should be clearly noted on the cover whether the chellan for having credited the earnest money deposit is enclosed. If it is omitted the cover will not be opened, and rejected as it is.

The tenderers should quote rates only for the units and nature of work specified in the tender form. If rates are quoted for alternative works instead of specified nature of work, such tenders will be disqualified.

The final acceptance of the tenders rests with the Government, which is not bound to accept the lowest or to furnish any reason therefor.

Estimates and plans will be available for reference in the Office of the undersigned and any other particulars required on all working days during office hours.

The successful tenderer should bind himself by the departmental rules in force and execute the necessary agreement within a week of acceptance of the tender, failing which the earnest money will be forfeited to Government.

Quantities noted in the abstract estimate are only approximate and may be less or more.

The rates quoted by the tenderers should hold good till completion of the work irrespective of the fluctuation in rates.

The rates quoted should be inclusive of all existing and new taxes payable as per Government rules.

In case of any accident to the labour employed by the accepted tenderer, he should pay compensation to the injured as per rules, failing which the amount will be deducted out of bills and other claims and paid to the injured.

K. N. SURYANARAYANA SASTRY,
3630 *Ex. Engr.*

MANDYA DIVISION.

Notification dated 22nd August 1953.

Sealed tenders will be received in the Office of the Executive .Engineer, Mandya Division, Mandya, up to 4 P.M. on 21st September 1953, for the following work:—

	Estimate Rs.	Earnest money Rs.
Construction of new tank at Halalu, Nagamangala Taluk.	19,870	950

Each tender must be accompanied with a duplicate chellan for having deposited the earnest money noted above into the treasury to the credit of Revenue Deposits, by Public Works Department in default of which the tenders will be rejected. Tender must be submitted in the prescribed form obtainable in this office on payment of four annas per copy.

The quantities noted in the abstract are approximate subject to variation during execution and the detailed estimate, plan and detailed tender form can be seen in the office during working hours.

The tenderer should quote specific rates for each item of work both in words and figures. The rates quoted should hold good till the work is completed. It should be inclusive of all taxes, such as Sales-Tax, etc., payable as per rules or other taxes that are leviable from time to time.

In case of any accident to the labour employed, the accepted tenderer should pay compensation to the injured as per rules failing which, the amount will be deducted out of the claims and paid to the injured.

For items of works not provided for in the estimate at the time of tender, minimum current schedule of rates will be paid for such items. For other items rates as per data got up based on the minimum current schedule will be allowed.

The work should be taken up within a week from the date of acceptance of tender duly executing the agreement and should be completed within one year with uniform progress every month. In case the work is not completed in time, penal clause of the agreement for the short progress will be enforced.

Final acceptance of the tender rests with the Superintending Engineer who will not bind himself to accept the lowest or to furnish any reasons thereto.

The income-tax clearance certificate is to be enclosed along with the tender and tenders received without the certificate are liable to be rejected.
